# ROMANS PROJECT

Equipping pastors to abide in and feed their congregations from God's Word.

## Blessings continue

What a thrill to read the testimony of a pastor or ministry leader who has seen their ministry transformed by the Romans Project. Our prayer is that God will continue to guide and direct these influential ministers. We also pray for God's guidance and provision for the Romans Project as it doesn't appear to be losing momentum but continues to grow. We hope you enjoy reading a few personal testimonies of how God is working in Africa through the Romans Project. Thank you for your ongoing prayer and support. ### BLESSING FROM READING

*I have found great benefits and blessing from reading the book of Romans 20 times and writing it. I have learnt Romans in school before, but I haven't understand it properly or correctly the plan of Salvation. I am gained a complete picture of righteousness from God that is justification by faith through grace and not by work.*

### BY GRACE

*The blessing I have received in reading the book of Romans is that I know that I am saved by grace not by work. I know that because of the death of Jesus Christ there is forgiveness of sins.*

### FACE TO FACE

*When I was copying this book, it is like God was just talking to me face to face, and also I felt the power of God at work in my life. It was like I just got born again.*

*Maxwell Kabemba, Pastor  
Calvary Tabernacle, Zambia*

### DEEP IN MY HEART

*On writing the book by hand, it makes the points analyzed go deep in my heart and then the practical element become easier. It takes sacrifice on a student for reading and writing but very helpful.*

*Egessa Livingstone  
Senior Pastor  
Full Gospel church, Uganda*

### MUCH JOY

*This Project has given me much joy and also my understanding of the word has been enlarged. Since I read the book, it makes me to read it all the time because it speaks to me about my salvation, and also it makes me happy to follow all what the message is telling me.*

*David KoJo Quansah  
General Overseer

### GOD'S WORD MADE ALIVE

*I had read the book of Romans before, but after reading so many times and having had the privilege of copying it out, the word of God started becoming more and more real and alive than before.*

*Reading and writing out this epistle equipped me more and I now know that I am in a better position to teach, learn, and share across the country as I travel.*
