

Equipping pastors to abide in and feed their congregations from God's Word.

Rural Zambia

Zinga Banda, our Zambia National Director tells this story of his trip to rural Mpongwe to meet pastors, elders and deacons who recently finished the reading and writing requirements of the Romans Project.

I saw the Lord working in this place, in the life of the church leaders. Firstly, before the actual meeting, which took place on the 8th of November 2017, I had visited the place just to sell the Romans Project. I did sell the Romans Project using Romans 16:17-20. The Pastors' fellowship in this area have banned visiting Pastors from holding any conferences or any such activities because of some Nigerian Pastor who stole money from them on pretext of holding a conference, after the local pastors had gone through the trouble of organizing the conference. Zambian's who completed the Romans Project challenge in November 2017.

Romans to them, we were given a platform and 47 church leaders graduated. I need to confirm that 10 more pastors are still doing the program because they didn't finish reading and writing the book of Romans.

IN THEIR OWN WORDS

I am blessed with the book of Romans. I understand that salvation is not by doing good works, but it is by the grace of God that I am saved.

Jesus has completed my salvation on the cross when He was crucified. I am justified by the blood of Jesus Christ.

I have to live my life by being obedient to the gospel.

As I have studied the book, it is like I am taking what I had missed for a long time. The way I now understand what salvation is all about is not the way I understood. Now my preaching and teaching will not be the same as I used to do. Praise the Lord for the love for the Word.
