## Expansion in Asia

Romans Project Director Caesar Tallada of the Philippines has recently made contact in three new countries in Asia. Pray for his plans this spring to help get the RP started in **Cambodia**, **Thailand** and **Myanmar**. Dr. Rick will be traveling to meet with Caesar in June. Together they will hold three Pastor's Conferences in the Philippines before traveling to Bangkok, Thailand. While in Thailand they will attend the Global Proclamation Congress from June 15-22. Pray that God will allow rich times of fellowship for Rick and Caesar and that the right leaders will be identified in these new countries. On his way home, Rick will stop off in Cameroon to meet with church leaders who have expressed interested in bringing the RP to pastors in their country!
