East Africa Consultation

Rick will be meeting with the Romans Project National Directors from East Africa in Dar Es Salaam, Tanzania on March 12-14. The purpose of their gathering together in one place is for the Directors to get to know one another, share country reports and strategies and enjoy fellowship, worship and prayer for their churches and the work of the Romans Project. The following National Directors will be in attendance: Pastor Gwalikughu Kaminyoge (Tanzania), Dr. Lazarus Seruyange (Interim Director Uganda), Pastor Ken Onywoki (Kenya), Pastor Zinga Banda (Zambia), Kenosi Molato (Botswana), Albert Mabasi (Rwanda, Burundi), and Bonheur Heri (Congo).

Translation Update

Thanks to the hard work of Marshall and translators Dan, Edwin, and Alex, we now have Romans in 9 languages (Amharic, Oromo, Tigrinya, Hausa, Swahili, Kinyarwanda, French, Luganda, and Luo) **AND the Gospel of Luke in 4 languages (Oromo, Hausa, Luganda, and Luo)**. The team worked tirelessly last month to complete the translation of the Gospel of Luke. It is extremely valuable to have this additional content available in these languages as the RP continues to expand beyond the English speaking parts of Africa.
