

Equipping pastors to abide in and feed their congregations from God's Word.

Niger Update

Titus Turaki, National Director of Nigeria visited neighboring Niger in July to hold a pastors conference and award Mp3 players. Two meetings were held, first in the capital city Niamey then 500 miles east - nearly eight hours by car—in Zinder. Both groups were enthusiastic about the Romans Project.

IN THEIR OWN WORDS

This project challenged and motivated me to make Bible reading a habit. For example, currently I am reading the book of Ephesians, to be read about 20 times too. And I have mapped out books of the Bible to do the same.
