SEPTEMBER 2017

Equipping pastors to abide in and feed their congregations from God's Word.

Nigeria and Tanzania

Each month we receive letters from our National Directors. Here are two that highlight the ongoing work in Nigeria and Tanzania. Thank you for your continued prayers and support that allow these faithful men to equip pastors around the globe. Visit us online for more information or to give. Thank you!

Dear Dr. Rick,

Praise the Lord!

Thank you very much for your prayers for my trip to SE Tanzania. When I got to Dar I was unwell with a strong fever. Praise the Lord that after a few days I felt strength to travel again and continued on my way.

I got to Mtwara (in the SE) and with the Lord's help I was able to connect with lead pastors who had come from Lindi, and Mtwara regions.

At the Mtwara gathering, there was a pastor from the Maasailand, in the North. He was very thrilled and asked if we could go to Maasailand to introduce the project there. I told him that we will go there God willing before this year ends. We now have a contact to introduce the Romans Project into the Maasailand!

Once again, thank you for your prayers.

Blessings

Pastor Arthur

RP Director Tanzania

APPRECIATION TO GOD

We thanked God for the granting us safety on the road to and from Sokoto. We also thanked all that prayed for safety and for the success of the Romans Project there.

Mr. Theophilus Moses Shaida and I left Jos in August 2017. Sokoto State is considered to be the seat of Islam in Nigeria. We had the Romans Project there for the first time. The success of the Romans Project in Sokoto State was as a result of prayers, thank you for praying for the trip and the program.

We had a total number of 50 pastors attended and 20 were able to finish and collected their MP3s.
