### IN THEIR OWN WORDS

*The book of Romans is indeed the chief book in the New Testament. Before, I was ashamed of the gospel of Christ, but as I read this book, it gives me more boldness to share the gospel. I am blessed by this book. As apostle Paul made his aim, I also make it my aim to preach the gospel where Christ is not known in Myanmar (Rom. 15:20).*

*Pastor Victor Van Ro Chung Yangon, Myanmar*

The first group of pastors and church leaders to complete the Romans Project in Myanmar. Pray for funding and a translator who can begin work to translate the messages on the Mp3 player. There were 9 pastors who chose to returned their Mp3 player and wait for new ones with the Burmese translation included.
