

Equipping pastors to abide in and feed their congregations from God's Word.

**A PASTOR'S TESTIMONY:** I thank God for choosing me to be a participant of The Romans Project, because of what I have achieved during my reading the 20 times of the book of Romans and hand-copying it.

Before reading the Book of Romans, I was condemning and judging my people for not accepting the Lord Jesus Christ, because of not knowing that it is God's grace, for He has mercy on whom He has mercy (Romans 9:14). Now I only help them by God's grace to understand His grace upon them received by faith.

Since I began reading Romans, my approach in preaching has changed, I normally have the Word from Romans to begin with, because message from this book relates in all circumstances.

Through the reading of Romans, I have at least known the difference between Religion and Christianity; of which religion is you want to achieve salvation by works, whereas Christianity, salvation is by the grace of God through faith in

Christ. The project has helped me to develop the urge of reading even other books e.g. "ABIDE IN CHRIST" by Andrew Murray.

The Romans Project helped me to set a specific time for my Bible reading and study, which became a part of me to that the extent that I could not feel okay, for the times I missed.

Through repeated reading, I also discovered that the Word of God is New for Everyday as I learnt something new the same chapter I had read before.

The reading of Romans has changed me and is still changing my life; spiritually, socially and physically. When I preached from the Book of Romans to an audience of about 150, 22 people got saved.
