

Equipping pastors to abide in and feed their congregations from God's Word.

Report from Kenya

Charles Naibei, Kenya's facilitator just finished a 6 day trip visiting 6 different regions of Kenya. Here are a few highlights from that very impactful trip.

Meeting in Kainuku Region

In the Kainuk and Lokichar regions graduation meetings were held as well the awarding of certificates of completion to over 160 pastors and church leaders.

Graduation meeting in Lodwar Town

Like wise in the regions of Lodwar, Kakuma, Lokichoggio, Napatal, and Kolimorok more than 400 graduations or certificate's

of completion were awarded. Charles commented that he and his team were supported in their efforts by church leaders in all of the regions visited. He asks that we continue to pray for him and the country of Kenya. That more church leaders would be able to get involved in the Romans Project.

Report from South Sudan

From our coordinator in South Sudan Lukas Inyasio we received a very encouraging report from the region of Nimule.

Gathering in Nimule, South Sudan

30 new pastors were invited to witness graduations in this region. Though unrest in the area had caused Lukas to cut his trip short he remains very encouraged that the project has been

so well received. He asks for prayer for tensions to ease in the areas where the project is so active.
