

Equipping pastors to abide in and feed their congregations from God's Word.

New International Director

At the start of the year, Marshall stepped down from the role of RP International Director. Marshall served on the RP team for over eight years, and was in his current role as the International Director for the past two years. During that time, he balanced pastoring a church in the Czech Republic, serving as the International Director of RP, and leading a ministry he started in 2015 called Pastors Training Program (PTP). After months of prayer and seeking wise counsel, he feels God is calling him to take a step back from RP to focus on teaching pastors through PTP.

*Marshall teaching a classroom of PTP students. Pray for him as he focuses his time and energy on this ministry.

We are so grateful for his years of leadership and partnership

with RP. In addition to guiding the ministry through this past year of changes brought about by COVID (in such an effective way that several countries saw their highest number of Romans Challenge completions ever), he also taught conferences across Africa, worked alongside translators to provide the Romans sermon series in their national languages, and helped bring clarity and organization to the carrying out of RP.

While he will be missed as part of the team, we look forward to seeing the ways God will continue to use the faithfulness of his work with RP as we grow and expand to new countries and communities across Africa.

We are excited to announce that Carl has stepped into the role of International Director. Carl, who is already a board member, has been serving with RP since 2017. He has traveled around Africa with RP on multiple occasions, encouraging pastors and building relationships with the Country Facilitators. He has a heart to see the vision of RP expand to those who have a need for Biblical Equipping.

*Carl with Jallah, 2017
We are grateful Carl has agreed to step into this role and that the transition has been smooth. Please pray for him as he adjusts to the new responsibilities.*

Carl is grateful for the opportunity to work alongside Ken, Cesar, the Country Facilitators, and the Stateside team in the role of International Director. He looks forward to helping the team members collaborate together to support those who are on the field to bring the ministry of RP to their countrymen. He is thankful for the unique and integral roles each of the Board Members play, and the insight and leadership they bring to RP.

“I believe RP is poised to really blossom as various restrictions are removed. Thank you for praying for us on the team!”

- Carl
