

Equipping pastors to abide in and feed their congregations from God's Word.

**Burkina Faso RP Graduations**  
During the month of October, there were 20 completions of the Romans Challenge in Burkina Faso! We rejoice and praise God that each of these individuals dedicated themselves to Abiding in the Word of God and completing the entire Romans Challenge.

Lompo Mathieu, one of these 20 pastors in Burkina Faso, shared with us his personal experience of how he was affected by RP and how through him his congregation is being enriched. He says that since he finished reading Romans 20 times and writing it out, he has discovered a deeper faith and has become more grounded in essential doctrines. Since finishing the challenge he has seen a change in his preaching and teaching. His church is being blessed by this.

*Join us in praying for the congregations of these leaders to be affected and inspired by their leaders' dedication to the Word of God.*

#### RP Multiplication in Chad

This month in Chad, there were multiple pastors who reached

out to our facilitator there, Doldiguim Boungar, asking him for more information about RP so that they could join as well. Boungar was encouraged by this and wrote,

"Truly, truly, I tell you, I can see the Hand of God in that ministry of Romans Project in Chad. It seems to me that God's plan is being realized. Pastors are now reaching out to me rather than me having to reach out to them."

It is exciting to see the fruit of the multiplication efforts. As those who complete the challenge recruit others by sharing their personal experience, Boungar will be able to focus on reaching new regions of Chad that have not previously heard of RP.

We are excited to see RP multiplying organically in this way.

#### RP Graduates in Zambia

Several church leaders who completed the Romans Challenge in Zambia were celebrated with a graduation ceremony this past month as well.

One of the pastors in Zambia, Joseph Tembo, was so blessed by reading and writing Romans, that he has said he wants to continue to apply this method of studying Scripture to the entire Bible.

*Zambian graduates of the Romans Challenge. All those who completed received a certificate of completion, and those who regularly preach also received a device with recorded sermons.*

*Please pray for those who are currently participating in the Romans Challenge. Pray that they would be encouraged through their time of Abiding in the Word of God and that they would persevere through to completion of the challenge.*
