

October 2022

Equipping pastors to abide in and feed their congregations from God's Word.

Report from Uganda

Bernard Bakunda

The Romans Project board is pleased to announce the appointment of a new National Facilitator for Uganda, Pastor Bernard Bakunda, who is taking over leadership from the interim Facilitator, Dr. Lazarus Seruyange. We are very thankful to Dr. Seruyange for stepping in to lead the Romans Project in Uganda when he was needed, and for his recommendation and equipping of a capable new Facilitator.

A recent report highlighted the progress of the Romans Project in many regions of Uganda, and the impact the Challenge is having on the lives of individuals, families, and congregations. Moses, a man who recently completed the Challenge, shared that the Romans Project has helped him and his family to grow spiritually. As he shared what he was learning from the book of Romans, their faith in the Lord grew stronger, and even his 11-year-old son developed a desire for reading the Bible.

Moses serves as an usher in his church and is now going to recruit his fellow ushers to also do the Romans Project.

Pray for Pastor Bernard to draw strength from the Lord and wisdom from His Word as he begins this new leadership role.

Pray also for the Lord's protection as Uganda has been hit with an outbreak of a new strain of the Ebola virus that is severe and often fatal.

out by hand prior to the Gathering.

Praise God for this opportunity for the leaders of the Romans Project to come together after several years of being unable to gather in person. Pray that this time will equip and encourage the leaders and build unity amongst them as fellow co-laborers for the Lord and for the RP Ministry.

East/West Africa Gatherings

From October 31-November 9, Romans Project National Facilitators and leaders from 20 countries will be gathering for two separate conferences. The first will be in Nairobi, Kenya, and the second in Accra, Ghana. International Director Pastor Carl, Director of Ministry Pastor Gary Dozier, and Board Member Mark Loomis, will be joining them from RP Headquarters in Portland, Oregon, to teach, equip and encourage them. Carl has chosen the book of 1 Thessalonians to walk through with them. He has asked each of them to read the book fifty times and to write it

A Brief Exposition of Romans
This is the title of a recently published book by Pastor Scott Gilchrist that was actually birthed out of the Romans Project. In 2014, Pastor Scott was invited to teach a survey of Romans at a conference in Ethiopia. He taught the entire book of Romans in eighteen sessions over the course of five days. Those sessions have been translated into several languages and have been widely distributed and listened to throughout many countries. This brief commentary is the product of those teaching sessions. Pastor Scott's book is now available for purchase at Amazon.com.
