

October 2023

Equipping pastors to abide in and feed their congregations from God's Word.

SE Asia Flooding

Due to serious flooding in the region, Pastor Thang, the Regional Coordinator for one of the Romans Project SE Asian countries recently postponed an Invitation Gathering where he had planned to introduce upwards of twenty pastors to the RP. Praise God that Pastor Thang and his family made it to safety and were staying at a camp until the floodwaters subsided, but he reported that many people were still without food or shelter.

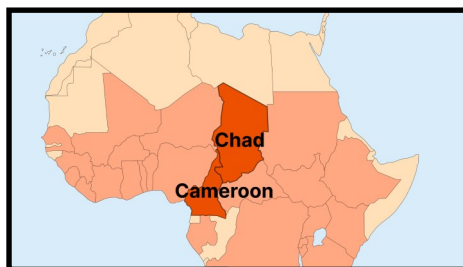

Please pray that Pastor Thang can be an encouragement to his family and congregation, and a bold witness for Christ to his community during this very difficult trial. Pray also for the work of the ministry of the Romans Project to resume soon.

Update from Cameroon

Dikwa Taissou Olivier Joshua, the National Facilitator for the French speaking regions of Cameroon held an invitation Gathering earlier

this month in Kousseri, where he introduced and invited 165 pastors to participate in the RP initial challenge. Expected to join him for the conference was Doldiguim Boungar, the National Facilitator of the neighboring country Chad.

Sadly, Doldiguim contracted Malaria and was hospitalized and too sick to travel for the Gathering. Olivier and his associates carried out the Gathering in his absence and reported that the response was great, with over 100 pastors accepting the challenge so far! Olivier also reports that another 100 pastors are finishing the challenge and are anticipating their commissioning later this month.

Praise God for enabling Olivier to carry out the plans for the Invitation Gathering, for those who came alongside to assist him, and for the wonderful response from the pastors who attended. Praise Him also for the update that Doldiguim's health is improving.

Prayer for the Facilitators

Doldiguim was not the only facilitator battling serious health issues recently. Haruna Takura of Nigeria and Leonidas Ntakirutimana of Burundi have also been ill and are in need of healing, and other facilitators have family members suffering with illness. Olivier shared the following prayer requests with the RP Team on behalf of Doldiguim. They are powerful and worth sharing and praying for all the RP National Facilitators:

1. Let us continue to pray for their complete health
2. Let us pray for their entire family
3. Let us pray for their office as Facilitator
4. Pray for their churches and relationships with its leaders
5. Let us pray for their countries.
6. Let us pray for divine intelligence and wisdom
7. Let us pray for strength, love and divine grace
8. Pray for the impact of their ministry
