ROMANS PROJECT

Equipping pastors to abide in and feed their congregations from God's Word.

Report from Sierra Leone

Alpha Samuels began his recent report giving praise and glory to God for helping him as he challenged pastors and church leaders to see the significance of taking and telling others about the Romans Project.

RP Gathering in Sierra Leone

Alpha reported that by God's grace he had the opportunity to have RP gatherings in two Districts in Sierra Leone in April. These events attracted roughly 160 pastors and church leaders.

At the gathering in Moyamba Town, in southern Sierra Leone, 30 pastors and 20 church leaders started the initial challenge, and 35 pastors and 15 church leaders who had completed the challenge, received their Mp3 players and SD card.

At the gathering in Mile 91 Town, Tonkolili District, in northern Sierra Leone 24 pastors and 11 church leaders started the initial challenge, and

15 pastors and 10 church leaders who completed the challenge, received their Mp3 players and SD card.

Alpha remarked, "They were great gatherings. The pastors were in high spirit in receiving the Mp3 players and SD cards as they said 'this would ease our study of God's Word, open/broaden our understanding of certain books and subjects in The Bible and also help us prepare better sermons'".

Please pray for these pastors and church leaders in Sierra Leone as they lead their congregations, and for the continual growth of the RP throughout the country.

Report From Zambia

Zinga Banda has been working with a team of pastors in Zambia to challenge other pastors. He had a lot of exciting news to share in his recent report about how God is blessing their efforts.

Pastor Joseph Tembo has been recruiting people for the initial challenge and has five so far that have completed the challenge and submitted the completed works of their writings from the book of Romans. Pastor Joseph is also

working with a group Bible College students in the Eastern Province of Zambia that should complete the challenge and be ready to graduate in the coming months. Pastor Lengwe has a group in Mpongwe that is on course to graduate next month, and Pastor Lichawa Thole is himself a recent graduate.

Zinga and Pastor Thole

Zinga has also been checking up with some Romans Project alumni to make sure they are passing on the Romans Project challenge to others, a charge given to them when they graduated.

Zinga thanks God for the way He has been uniting the team of brethren as they work to spread God's word through the Romans Project, and he asks for prayer for the upcoming graduations being planned.

Pray for Zinga as he goes on two recruiting trips this month.
